

TOUSSAINT STUDY DAYS

IB, A-Level and IGCSE

NOVEMBER 2015

ACCESSLEARNING

COURSE TARGETS

The purpose of this format is to provide external exam board candidates with sessions which are supervised, structured, intensive and flexibly scheduled. The four-hour session is designed to support completion of Independent projects such as EEs, IAs, the TOK essay as well as study strategies for those who may have fallen behind in one or more courses.

THE FOCUS WILL BE ON APPROACHES TO SUCCESSFUL INDEPENDENT STUDY SKILLS

- Time management strategies for self-study and revision
- Project management of EEs, IAs and TOK essay
- Active strategies for engaged learning
- Concentrating for long periods of time
- Strategies for coping with procrastination
- Individualized coaching time for each participant*
- Stress management techniques

**Please note that the aim the coaching is to provide structure and supervision for project completion and any guidance given must be in accordance with external exam regulations.*

DATES AND TIME:

- Thursday November 5, **2015** | TBD by participants
- Friday November 6, **2015** | TBD by participants
