

# YOUR CHILD & MULTILINGUALISM IN LUXEMBOURG

2016

ACCESSLEARNING

Deciding what school to send your child to in Luxembourg is a big decision for many families, especially if you speak languages other than Luxembourgish, German and French. There are many school options to consider and many pros and cons to weigh.

**If you would like to meet with a specialist and a small group of parents facing this decision, this event is for you!**

During this two-hour workshop the following issues will be explored:

- How many languages is the right number of languages for your child?
- What is the right school environment for your child?
- What are the advantages and risks of multilingualism?
- Tips on how to support successful multilingualism
- Multilingualism and learning difficulties
